## Jokes

-Who's bigger? Mr. Bigger or Mr. Bigger's baby?

... Wrong. Mr. Bigger's baby is a little bigger.

(Darwin's Book)

-What are the strongest days?

Saturday and Sunday. All the rest are week days.

(Darwin's Book)

-How many peas are in a pint?

Just one.

(Christina's School Book)

## Pun BG Trivia Game

**-Tatergate-**

(Watergate)

-This game portrays conspiracy like no other. At the behest of G. Gordon Liddy, McDonald's scandalously decides to replace their French fries with Pringles.

-Two-player game by Mattias Kramer.

**-Feast for Odie-**

(Feast for Odin)

-Raise your horns-o-mead and toast to Jon Arbuckle's canine pal as he is finally given his own pan of lasagna.

-This is a table-hogging worker placement/action selection game.

# Spiel 2020

## **-Hunkart-**

(Junkart)

-Come to Venice Beach, California to join your fellow firefighters, wrestlers, and Fabio in this macho stacking game about sculpting the perfect bod.

-In this game you stack oddly shaped pieces to create sculptors, often trying to see who can stack the highest.

## **-Magic: The Lathering-**

(Magic: The Gathering)

-Use your wits to aid Jace, Liliana, and Chandra in their attempt to shampoo Garruk's nasty hair before they leave for the next tournament.

-Based on one of the most popular collectible card games.

## **-A Few Acres of Snot-**

(A few Acres of Snow)

-Due to a disastrous lack of tissues and handkerchiefs French, British, and Iroquis soldiers slip and slide upon the ground for which they fight in this tense deckbuilding game.

-Title is based on a quote from Voltaire as he consoles King Louis the 15<sup>th</sup> over his loss of Canada.

## **-Twilight Straggle-**

(Twilight Struggle)

-In his inaugural speech JFK harkened to those that prefer to stay in the back, away from the frontline. Play as the Americans or Soviets in this game where you must use clever card play to ensure you live up to the legacy JFK laid out.

-Cold war game

## **-Terraforming Mark-**

(Terraforming Mars)

-Humanity finally exhausted all of Earth's resources and now their quest to find a new home has finally ended. In this tableau-building game, you and your fellow players compete to change the surface of your quiz-giver to make him more habitable.

-I am the quiz-giver.

# Spiel 2020

## **-Shits-**

(Ships)

-Inspired by an upset stomach, this Martin Wallace game takes you through the development of toilet technology, from the Phoenicians to the modern era and all those desperate moments in between.

-Game shares some DNA with Automobiles.

## **-Arkham Horror: The Hard Game-**

(Arkham Horror: The Card Game)

-No rule is too convoluted for Fantasy Flight's newest Lovecraftian release that simply seeks to increase the difficulty of this small box game.

-Also considered to be an LCG.

## **-Too Many Bongs-**

(Too Many Bones)

-States like Colorado, Oregon, and Illinois were quite progressive in their move to legalize recreational cannabis, however in some regards they were a tad short-sited. In this dice-chucking RPG you will cooperate with fellow players to clear the haze and curtail the over population of water-pipes.

-An immensely expandable RPG from Chip Theory games.

## **-Poot-**

(Root)

-An elaborate asymmetrical take on exploring the cute little world of flatulence.

-It's the asymmetrical war-game game with the cute little animals by Leder Games.
